## **Macroeconomics Groups, 2018-19 and Second Class Presentation**

Please find below the 9 Macroeconomics Groups.

For the Class Presentation 2, each Group corresponds to a particular country, according to the following correspondence

A USA, B Japan, C Germany, D France, E Italy, F United Kingdom, G China, H India, I Brazil

The presentation should focus on the following aspects:

1. For Groups A, C, D, E, and F the financial crisis of 2007-2009, its causes, the policy response and its aftermath.
2. For Group B the Japanese financial crisis of the early 1990s, the policy response and the lost decade.
3. For Groups G and H the policy reforms and the acceleration of economic growth since the 1980s.
4. For Group I, the recurring financial crises of Brazil and Argentina since the 1980s and the policy response.
